

Televisions and radio stations should NOT get any exemptions or acceptions to the national DO NOT CALL criteria. They are expecting special treatment/acception to the original intent of the do not call list. If they (radio and tv stations) get an exemption then everybody will expect to get and exemption. PLEASE DO NOT ALLOW THIS SPECIAL INTEREST GROUP TO RUIN A GREAT LAW. DO NOT ALLOW TV AND RADIO STATIONS TO HAVE AN EXEMPTION TO THE THE "DO NOT CALL" LAW.

Thank you VERY much!!!
